

Pope Francis' encyclical – Laudato Si – defines climate change as a principal challenge facing humanity, and a moral issue.

During these 40 days of Lent, help build awareness on the importance of taking care of the environment; cooperate with others to adopt simple actions into daily routines that can make an impact.

**Simple actions can make a difference.**

Eat Your veggies! Turn off the lights. Be a water warrior. Get smart about recycling. Hand 'em down/ donate clothing. Go outside. Commit and talk about it.

When: Tuesday @ 7pm from Feb 23 to Mar 23
