FAZtor’s Notes:
By: Fr. Arnold Zamora

Half of the year is gone, but definitely not wasted. We are now in the middle of the year and a new fiscal year has just started. For some it’s a time to take off from work and take the long awaited vacations with family and friends. In contrast, this is a time when some people start their new job and for priests, their new assignments or ministries. That means facing new changes and a period of adjustment.

At Holy Name we don’t have a change on clergy assignments, but we do have a new school principal, Michael Miller, who started his new role at the beginning of this month. Our outgoing principal, Natalie Cirigliano, is still continuing on during the third phase of our seismic retrofit project. So we have two school principals this month. In that way, it is a good transition.

The Archdiocese of San Francisco has been called upon as part of Region XI to produce information for a report for Rome. The report, called the Quinquennial, includes important statistical details about the Archdiocese that must be updated. In order to be thorough and accurate, the Archdiocese is reaching out to every parish to provide responses to a few of the many statistics required in the 200+ page response. Here are some of the statistics that we have submitted for Holy Name that might interest you:

- Number of Infant baptisms (from birth through age 6) in 2018: 23
- Number of adult baptisms (from age 7 and older) in 2018: 6
- Number of First Holy Communions in 2018: 22
- Number of Confirmations in 2018: 19
- Number of Canonically Celebrated Marriages in your parish in 2018: 4
- Number of Persons receiving the Sacrament of the Sick (Anointing of the Sick): 52
- Number of Funeral Masses in 2018: 15
- Number of Memorial Masses (not to be confused with ongoing Mass intentions for repose of the soul of the deceased) in 2018: 9
- Number of Extraordinary Ministers of Holy Communion in 2018: 30
- Number of Lectors in 2018: 30
- Number of Music Ministers in 2018: 30
- Number of parish bulletins printed in the average week in 2018: 800

Looking at the statistics above, I was happy to know that there were more baptisms than funerals in 2018. The highest number is 52 for Anointing of the Sick. This does not include the Anointing during the Homebound masses, it is just the number entered in the Sick Call Book. I did not realize Fr. Simon and I have been so busy administering to the sick,

Four cars come to a four-way stop, each coming from either north, east, south, or west. It isn’t clear who arrived first, so they all go at the same time. No one crashes, but all four cars successfully continue on their way. How is this possible? They all made right-hand turns.
