FIFTEENTH SUNDAY IN ORDINARY TIME  July 15, 2018

Many centuries ago the Pope decided that all the Jews had to leave Rome. Naturally there was an uproar from the Jewish community. So the Pope made a deal. He would have a religious debate with a member of the Jewish community. If the Jews won, they could stay. If the Pope won, the Jews had to leave. The Jews realized that they had no choice. Problem was that no one wanted to debate the Pope. The only volunteer was a poor, simple, old man named Moishe who opened the door to the synagogue each Friday night. Not being used to words Moishe asked for only one addition to the debate – that neither side be allowed to talk. The Pope agreed.

The day of the great debate came. Moishe and the Pope sat opposite each other. The Pope raised his hand and showed three fingers. Moishe looked back at him and raised one finger. The Pope waved his hand in a circle around his head. Moishe pointed to the ground where he sat. The Pope pulled out a wafer and a glass of wine. Moishe pulled out an apple. The Pope stood up and said, “I give up. This man is too good. The Jews can stay.”

Later, the Pope explained what happened: “I held up three fingers to represent the Trinity. He responded by holding up one finger to remind me that we believe in the same one God. Then I waved my hand around my head to show that God was all around us. He responded by pointing to the ground, showing that God was present right here. I pulled out the bread and wine to show that God has given us the Eucharist. He pulled out an apple to remind me of original sin. He had an answer for everything. What could I do?”

Meanwhile, Moishe explained to the Jewish scholars how he won the unwinnable debate. “Well”, said Moishe, “First he said that the Jews had three days to get out of Rome. I told him that not one of us was leaving. Then he told me that this whole city would be cleared of Jews. I let him know that we were staying right here.” “And then what clinched the debate?” asked the Rabbi. “I don’t know,” said Moishe. “It was strange. He took out his lunch, and I took out mine!”

Life always depends on how we read the signs!

In today’s Gospel Jesus tells the twelve apostles that they should embody three signs: simplicity of lifestyle, dependence on others and hospitality. These instructions are such a contrast to what most of us value today, where it is often the rich and powerful, the independent and the inhospitable who are thought to be the best leaders.

For Jesus, however, the one truly sent in his name is the one who knows that another’s worth comes from who they are, not what they have. It doesn’t matter whether we’re rich or poor. It’s the way we use our money for others which reveals whether our wealth possesses us or not.

For Jesus, being “a rock and an island” was not a sign of strength but one of fear and despair. A strong Christian is the one who rejoices in our dependence on each other, and is always grateful for the interconnectedness of life.

For Jesus, making room for others, especially toward those in legitimate need and even when it makes a large claim on us, is a pre-eminent sign of his Kingdom.

The Christian life is about reading the signs of the times. May our Eucharistic signs of his presence amongst us, the bread and wine, change us today, to match it with the best in being simple in lifestyle, happily dependent and extravagantly hospitable with our time, talent and energy for the sake of the Kingdom of God.

HOLY NAME SCHOOL CAPITAL CAMPAIGN

In 1938 the first pastor of Holy Name Parish began going door to door, asking for support to create a Catholic School that would serve the children of San Francisco’s Sunset district. Thanks to Father Ryan’s vision and determination, the Sunset sand dunes were replaced with Holy Name’s foundation that has kept thousands of students safe for decades.

Over the past 76 years building codes and safety standards have continued to change, and we are now faced with the opportunity to strengthen not only the walls of our school, but also the legacy it holds and offers. After undergoing a required phased evaluation by the City of San Francisco, it was determined that Holy Name School could further strengthen its building through a seismic retrofit project.

Just as Father Ryan was excited to campaign in making his dream a reality, so too are we. Though we are strong and steady school, we are excited and ready to move our school forward by meeting the safety standards of our generation.

We hope that you will join us in our Capital Campaign so that we can preserve Holy Name’s traditions and legacy for future generations, just as our past generations have done for us. Together let us keep the hallways of Holy Name School safe for all students—present and future.

OUR GOAL, OUR PROMISE

Our goal is to keep Holy Name School safe for our students and the many that will fill the hallways in the years to come.
