It’s a new month, a new fiscal year- a new beginning. Some priests will start with their new assignments this weekend. There will be a new adjustment for both the priests and parishioners. As one of our Holy Name parishioners always says: “Change is good” and I agree, especially if is for the better. Sometimes changes hurt, but it is something that we all need to face. I simply welcome changes, for in welcoming them we are also welcoming the beautiful things that come with them.

Our Fil-Am Club has newly elected officers: Ramsey Ramos, president; Madeline Morten, vice-president; Freda Motak, secretary; Brendan Miller, assistant secretary; Fely Orque, treasurer and Ed Pomposo, auditor. Congratulations to all of you as we thank the outgoing officers and may you serve the Lord and our parish with gladness.

We have started Phase One of the seismic retrofitting at our HN School. Phase One will consist of completing our Americans with Disabilities Act (ADA) upgrade requirements. This includes the renovation of our Boys and Girls bathrooms, construction of a new Handicapped bathroom and reconstructing our arcade ramp so it will have a new incline and a handrail with a new door by the ramp with larger entry access. Two water fountains will be added to our interior campus so our students have better access to water. One will be added outside the main office and the other will be added outside the Technology Center. Since the main occupants of the school are the children, it was determined that their main entry is through the schoolyard. In order to provide equal access to all, the area in the arcade underneath our Sacred Heart of Jesus statue will also be updated as outlined above. These are the examples of “changes for the better.”

On the first weekend of his new assignment, the new pastor visited the children who were having their Children’s liturgy or Sunday school. After standing quietly at the back for a few minutes, he asked the youngsters, “Who tore down the walls of Jericho?”

“It wasn’t me,” shouted young Tommy.

The pastor was unfazed and repeated, “Come on now, who tore down the walls of Jericho?”

The teacher took the pastor to one side. “Look, Pastor, Tommy’s a good boy. If he said he didn’t do it, he didn’t do it. I believe him.”

The pastor couldn’t believe what he was hearing, and later that day he related the story to the Director of Religious Ed. The director frowned. “I know we have had trouble with Tommy in the past. I’ll have a word with him.”

By now totally baffled, the pastor left and approached the deacon. Once again he told the whole story, including the responses of the teacher and the Religious Ed director.

The deacon listened patiently and smile, “Yes, Father, I can see your problem. But I suggest we take the money from the general fund to pay for the walls and leave it at that.”

We’ve just started tearing down some walls for our seismic retrofit at the school, and we still need to find the remaining funds to pay for the entire two or three phase project. We welcome your input and whatever help you can give. After our school finance meeting I told our principal: “God will provide!”
ACE COLLECTION
Today’s Second Collection is the ACE COLLECTION for the benefit of our Parish School. Your generosity is very much appreciated by our school children.

MISSIONARY APPEAL
A Missionary Cooperative Plan Appeal for the Diocese Catarman in the Philippines will be held on the weekend of July 8-9, 2017. Rev. Fr. JONATHAN I. LOVERITA, representing Most Rev. Emmanuel C. Trance, D.D. will preach at all of the Masses.

This Appeal is made under the auspices of the Propagation of Faith to help with relief needs of children and the poor, formation of lay leaders and clergy’s health and continuing education assistance program.

DIOCESE OF CATARMAN-PHILIPPINES
The Diocese of Catarman is one of the poorest in the Philippines; our children live in abject poverty and we witness daily the violence that starvation and disease in remote areas of our diocese cause. This is the painful reality our church faces. Simple, yet curable diseases due to malnutrition and the annual natural calamities that nature unkindly inflicts on our people cause death at an early age.

Most of our villages are located in the hinterlands. Seventy-five percent of the population are farmers. Six out of hundred children die before they reach the age of one. Our area is also visited by typhoons, sometimes 33 times in a year, which destroy the crops and houses made of nipa huts and bamboos. In November 2013, we were hit by the strongest typhoon ever and in September 2014 by another strong typhoon. Until now we are still experiencing and recovering from those calamities. We have to wait again around seven years for the coconut crops to normalize, which is our only major source of living.

But we learn to survive, to hope, to pray and to rely on God’s compassion in the midst of the life and death struggles of the poor. In God’s grace we have lay leaders, religious sisters and clergy who are dedicated to meeting the spiritual, material and ecclesial needs of our people. God’s hope assures us that his grace also motivates those with a heart for the poor to lend their prayerful and financial support to our efforts.

Your assistance is crucial to make a difference in the survival of our people. We depend on your generosity to simply live. If our proposal is approved, your help will go to the relief needs of our impoverished children and their families, for the training and formation of our lay leaders and our clergy’s health & retirement assistance program.

Please extend a warm Holy Name welcome to Rev. Jonathan I. Loverita next weekend. Your generosity is very much appreciated.

THE RICHNESS OF LIFE IN CHRIST
Today we have the beautiful story of the woman promised a child, the wonderful exhortation about life in Christ, and a powerful instruction from Jesus. An embarrassment of riches? Not if we take Jesus’ words about “welcome” to heart. The many challenges and blessings offered to us today by Elisha, Paul, and Jesus should be cause for rejoicing, and welcomed heartily into our lives. And, like the great treat that they are, they should be enjoyed and shared generously with others. Copyright © J. S. Paluch Co.

FREEDOM  Those who deny freedom to others deserve it not for themselves and under a just God cannot long retain it.

—Abraham Lincoln
