Second Collection: Missionary Cooperation Plan
Special Collection for India: $3,485.56
For the second year in a row our parish staff, pastoral, finance, and stewardship councils, parish leaders and our school (both Preschool and Grade school) faculty and staff gather together this weekend (Saturday) for a Day of Recollection. This is a beautiful way to start a new School and Fiscal Year with a spiritual nourishment facilitated by Fr. Dave Pettin-gill and Sr. Cristina Ovejera.

The first day of our Preschool was last Wednesday, August 17th. According to our energetic Preschool Director, Alice Seher, there are about 92 kids all together enrolled this year. We also have new teachers that we wish to welcome to our community: Ms. Pilar, Ms. Ally, Ms. Jennifer and Ms. Rachel. It sure looks like it's going to be another great year for the preschool. So, welcome back to the old timers and a hearty welcome to the new preschoolers and their parents to our Holy Name family.

On the other hand, the “big school”- our Holy Name School will have their first day of school on this Wednesday, August 24th. Although our teachers, faculty, and staff have started the school year with a Holy Mass and a Faculty meeting on last Thursday.

I am not yet done with thanking those who helped with “The Nightingales” concert two weekends ago. It was a great success because of the efforts and hard work of our committee, led by our Holy Name Choir and of course, the support of our community. I would like to mention in particular the tandem duo of Ricky Inting and Carl Vengco, our 11:30AM Choir director, who acted as Event Coordinators for the show. The Nightingales could have not sung so well without the Sound System supplied by the DJ master and our chief sexton, Ramsey Ramos. There are so many people that I would like to thank individually, but I would run out of space. But you know how thankful I am for your individual and collective contributions. Thanks for your prayers too.

The beautiful thing about the concert was its purpose of supporting our church, particularly in its ministry to our school by supporting some of our parishioner families who want a Catholic Education for their children and yet struggle to meet the school financial responsibilities. We have been able to give out $4,500 as a subsidy for four individual families, who belong to our bigger Holy Name family, from the profits of that concert. Our newly Parish Educational Scholarship Fund has already served its purpose and with your continued help, we will be also be able to continue to help families in need.

What kind of school do you go to if you’re…
…an ice cream man? Sundae school.
…a giant? High school.
…a surfer? Boarding school.
…King Arthur? Knight school.

I think it was Henry Ford, the founder of the Ford Motors, who said: “Anyone who stops learning is old, whether at twenty or eighty. Anyone who keeps learning stays young.”

I believe it was Arnold Zamora, the founder of the Parish Education Scholarship Fund, who said: “Anyone who contributes to learning especially to the Scholarship Fund will always be happy.”

Stay young and be happy! Someday, you stop learning and you become old but you can always stay happy!
